Development & Growth Strong in Miami Township

Development and growth are strong in Miami Township with permits and total investment value continuing to rise.

Kroger in Mulberry Square is under renovation and will be a Marketplace when complete. This is a \$8.5 million project. At the former site of International Paper on Tri-Ridge Boulevard, developers are looking to put in 49

town homes at a total investment cost of \$11 million. For those who travel along Wards Corner Road you may have seen what looks like an apartment complex being built. This is Fieldchase Senior Apartments and it is being marketed to those 55 years of age and older. It is an independent living facility with 120 units and a total project cost of \$12 million. The Milford Junior High School rebuild, including the fieldhouse & stadium remodel, is a major project and investment in the community. It is also a fantastic opportunity for our local schools to expand, develop, and facilitate updated services to our students.

An exciting new project in the Township is the Hills Development located at Cinema Dr. and Montclair Blvd. The plan calls for putting in 6 high end apartment buildings with 335 units at a cost of \$35 million. Hills' developments have a great reputation of managing and maintaining properties while servicing the residents.

Rise Commercial Development is a small business accelerator based in Indiana. They are looking at developing a \$20 million project at Wolfpen Pleasant Hill and US 50, which would include a new public roadway and approximately 17 units designed specifically to provide space for small businesses to grow.

If you have questions about what's happening in your community, we encourage you to reach out to any of us elected officials, Township employees, or specifically to Interim Township Administrator, Steve Kelly at (513) 248-3725 or *Steve.Kelly@MiamiTwpOH.gov*. We look forward to a happy, healthy, prosperous year for our residents and wish all of you the best of success!

SPRING LITTER CLEAN-UP Saturday, April 20th • 9:00 am - Noon

The Spring Litter Clean-Up is a combination of two events that have proved successful for more than 20 years in Clermont County - the East Fork River Sweep and Clermont Clean & Green events. This year's event, in Miami Township, will be held 10:00 am-Noon on Saturday, April 20th.

Volunteers are needed! You can register individually, organize a school/scout group, or bring neighborhood friends to participate in this fun, worthwhile event! Protective gloves and trash bags will be provided. All volunteers will be given a special item with the 2024 Spring Litter Clean-Up logo as a thank you for helping out.

YOU CAN MAKE A DIFFERENCE - KEEP MIAMI TOWNSHIP BEAUTIFUL! Find out additional information and sign up your group online at SpringLitterCleanUp.com.

Township's First Career Fire Inspector Sworn In

Over the last few years, the pandemic caused a major disruption for many of our local businesses and hampered our ability to conduct regular fire safety inspections, which are required by the Ohio Revised Code to be done annually. Fortunately for us, Paul Eckert started his employment with us as a part time fire inspector just as we were rebooting our inspection program, which allowed us to have a new chance and new person to help us rebuild this important program.

Paul quickly helped our department realize that having a dedicated, full-time person who could focus on code enforcement from the preventative and reactive side would be a huge benefit to the department and our community. Paul's expertise comes from years of working on the other side of fire code enforcement as a designer and installer of various types of fire alarm and suppression system. Our businesses deserve a consistent and responsive point of contact who can respond to their safety related questions and needs. Paul will help strengthen the relationship with our local businesses by fulfilling that need.

Paul represents the pinnacle of professionalism, and we know that he will rise to every occasion to make a difference in our community. We are excited to introduce Mr. Paul Eckert as our first career Fire Code Enforcement Specialist for Miami Township Fire & EMS. Congratulations, Paul!

Lock It or Lose You

Officer Staci Dold

Many of us work full-time jobs and still have responsibilities at home that cause our already over-stimulated and over-tired brains to fall into an auto-pilot routine. We spend everyday getting ready for work, getting the kids ready for school, leaving the garage and closing the door, getting to school/work, coming home, pulling into the garage and closing the door, going into our homes and making dinner, helping with homework, getting everyone ready for bed, etc., that we often take for granted that we've followed every step on our wash, rinse, repeat regimen. Unfortunately, this easy mindset is what sets us up for falling prey to unforeseen hazards with costly consequences.

What if amid our daily chaos we only assume we closed the garage door, because that's what we always do? A garage door left open puts us in a vulnerable position, because many of us do not lock our cars inside our garages or the door(s) that leads inside our homes, assuming the garage door creates a barrier that keeps us protected. I highlight this example because this is one of the most common criminal reports that officers respond to: theft from a motor vehicle/theft of a motor vehicle. In 2023, Miami Township officers responded to 22 reports of theft from vehicles and 15 thefts of motor vehicles. While those numbers may not sound like a lot on the surface, that's 2 thefts each month from vehicles and at least 1 vehicle stolen per month in a year occurring in various areas throughout Miami Township. In addition to proactive patrol, we hope to enlist the help of our residents to combat our collective complacency and eliminate this type of crime in our area altogether.

What can you do to help? The Miami Township Police Department participates in the national Lock It or Lose It campaign, which seeks to encourage the public to protect their vehicles and valuables with tips that will eradicate nearly all theft from and of motor vehicles. Some examples of these tips are:

- Always lock your vehicle!
- Remove all valuables from the vehicle, never leaving anything in plain sight.
- Never leave your vehicle running and unattended!
- Do not leave a key or fob inside the vehicle.
- Park in well-lit areas.
- Do not leave your vehicle windows down.
- Remember to close your garage door at night and lock all doors.

Make a second thorough check of your vehicle and your garage a part of your routine. It is also important to highlight that this type of crime is not just specific to your home, it can also occur in busy retail areas, your place of business, schools, etc. Encourage your teenage drivers to make this conscientious effort a part of their daily practice as well. Also, look out for your neighbors—if you see their garage door is open past the normal time, let them know. Through our Night Eyes program officers attempt to make contact with residents of homes that have open garage doors late into the evening and early morning hours, but you can aid us in this effort as well. Collectively, we can effectively combat complacency and its consequences by removing easy targets for opportunistic criminals.

Communities become stronger and more resilient when we are all committed to promoting the greater good. Having served this community for 17 years, I fully believe that Miami Township residents are dedicated to this community and cause. Please, commit yourself and help encourage family, friends, and neighbors to take a more diligent approach to safeguarding property and valuables! Finally, if you are a victim—you're not alone, please report it to the Miami Township Police Department by contacting: 513-732-2231 and asking to speak to an officer.

Those words could not ring any truer

than they do in the world of Recreation! We are so excited to begin our planning for the 2024 Spring & Summer seasons here in Miami Township. This year will be a special one as we celebrate the 25th Anniversary of Miami Meadows. Our flagship park was dedicated on Saturday, July 17, 1999 and we plan on celebrating it throughout the summer with several brand new events.

Make sure to mark your calendars for Saturday, July 27th as we bring you the Cincinnati Reds HOF 1869 Red Stockings Vintage Base Ball (yes, it was two words in 1869) Team in an exhibition match versus a team of Miami Township's finest. This match will be played with 1869 rules, NO GLOVES, and is a must-see attraction. Following the match, you will want to stick around as former Cincinnati Reds pitcher, Bronson Arroyo, will provide musical entertainment, 7:00-9:00pm, as the Bronson Arroyo Band takes the stage at Miami Meadows.

We will also celebrate the Meadows with a Movie Night in the Park as we show one of 1999's biggest hits, Toy Story 2 on Friday, August 2nd. Bring your blankets, lawn chairs and dress up as your favorite toy of Andy's as we enjoy one of Disney's most iconic movies. Did I mention that all of these are FREE events?

I could go on and on but will allow you to turn the pages of Inside Miami Township and see for yourself. Summer Camps, Pickleball and many more programs and events will be waiting for you to enjoy so, please join Miami Township Recreation Department on what we promise will be a CAN'T MISS 2024!!!

Services Your Fire Department Offers

Division Chief
 Joe Stoffolano

Miami Township Fire & EMS is committed to making our Township a safe place to live, work, and play.

Our personnel are ready to respond to an emergency whenever needed. However, a goal of our department in providing for the safety of the Township is that many 911 calls are never needed. We have many services available to help prevent emergencies that will also educate and prepare you should an emergency occur.

We have many resources collected onto our website at MiamiTwpOH.gov/fd (QR Code links to website as well, scan with your phone or device to access).

Services we offer include the following. Access our website or call 513-248-3700 for more information.

- Community Health Services
 - o Community Paramedic Appointment – Includes pulse and blood pressure check, can share information with primary care physician when needed
 - o Post Hospital Follow-Up – Follow-up after being discharged from the hospital.
 - o Home Safety Evaluations – Identify and help mitigate any potential safety issues
 - o Fall Prevention – Education for citizens about fall-related problems and how to avoid
 - o Medication Education and Review
 - o Assistance with Navigating Senior Services
 - o Newborn Safe Sleep and Child Home Safety Check
- CPR Classes and First Aid Classes (regularly scheduled or by arrangement, also available to schedule at your workplace or community event)
- Reflective Address Signs (ensuring your location is easily located) – available for purchase from Miami Township
- Smoke Detector and Carbon Monoxide Detectors – Check and ensure all detectors are sufficient and working properly
- Fire Extinguisher Education (available to schedule at your workplace or community event)
- We can provide the information on how to purchase a Home Knox Box. The installation of a secure lock box that allows the Fire Department quick access in an emergency without breaking doors.
 - o The installation of a secure lock box that allows the Fire Department quick access in an emergency without breaking doors. You must order from the Knox Box company. Once received we can assist with installation and we will need to place the keys in the box. You can find a Knoxbox at: Knoxbox.com/Products/Residential-KnoxBoxes
 - o You must select the proper fire department as only your local department has access to the box. When ordered, Miami Twp Fire & EMS will be notified that the purchase occurred.

COMMUNITY DEVELOPMENT

Major Nuisance Properties Removed from Township

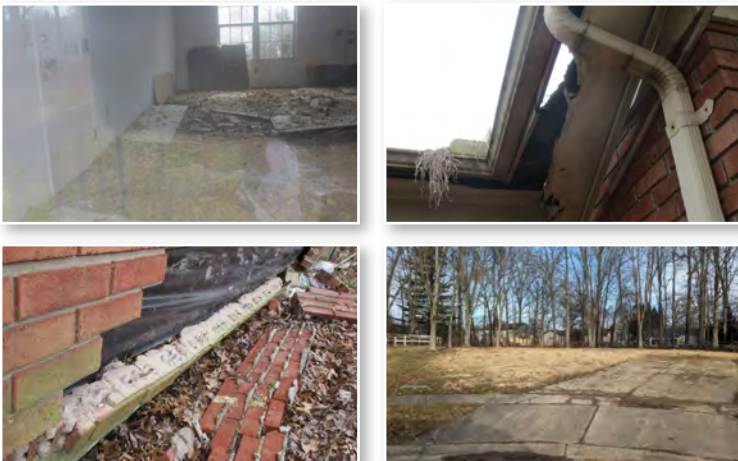

Brian Elliff
Planning & Zoning Administrator

2023 and 2024 saw two significant nuisance structures removed from Miami Township.

After many years of attempting to work with the property owner, the demolition of a dilapidated commercial building located at 5888 Cook Road was completed. Miami Township maintains a property maintenance code, which requires structures to maintain minimal standards of appearance and safety. In these cases, however, both nuisance properties that were recently demolished occurred under the authority of Ohio Revised Code Section 505.86 which allows the Township after due notice and hearing to demolish and remove unsafe and dilapidated structures.

On October 18, 2022 the Board of Trustees declared the Cook Road location to be a public nuisance and ordered that it be demolished. The demolition was then delayed as the matter was appealed to the Clermont Common Pleas Court. After reviewing the record, it became apparent that the property owner really had no valid grounds for appeal, and the matter was resolved through court entry confirming authorization of the demolition.

Also recently removed was a severely damaged home located on Stonewall Jackson Drive. In October, 2023 the Board of Trustees similarly declared this property to be a public nuisance, and ordered its removal. After the determination by the Board of Trustees and formal notification, the owner chose to voluntarily remove the structure. This property had been designated “for defensive action only” by the Miami Township Fire Department, as it was vacant, unsafe and a potential life hazard should emergency personnel have to enter the structure. As such, not only improving the neighborhood condition, but also removing this community safety hazard was a

property maintenance success for Miami Township.

Occasionally, Clermont County receives grant funding to remove dilapidated and unsafe structures at no cost to the property owner. If you are aware of an unsafe or unsecure structure within Miami Township that the owner would like to have removed voluntarily, please advise Community Development Department staff and it will be submitted to Clermont County for consideration.

Service Director to Retire

John Musselman
 Service Director

I came to work for Miami Township on June 1, 2015. I was an experienced Service Director (22 years in 2015) desiring new challenges, and that is what the Township was seeking. I was fortunate to inherit a talented and dedicated group of men and women that worked for the Service

Department and an outstanding Board of Trustees. I was also successful in making some good hires as others on the crew retired or left to work in other employment.

My first challenging project, was the construction of the Miami Township pylon sign along I-275 as you get on North 275 from SR 28. I had not built anything like that before, so it was an exciting project for me. Retaining wall projects were another exciting challenge.

Many Miami Township roads have significant challenges with steep roads in close proximity to creeks. This can lead to significant erosion issues that require retaining walls to stabilize the roadway and I have directed the construction of 8 of them during my term here. In 2018 our residents voted in a road levy which has allowed us to pave roughly 3 times the number of road miles we were paving each year prior to the passage of the levy. I was able to build a new storage garage to keep our equipment out of the weather, and have made cost saving equipment purchases as well.

Miami Township has been a beautiful place to work. Miami Township has fantastic employees throughout all departments and I have been blessed to work with them. I enjoyed my work and take pride in doing my best to serve our amazing residents. With 31 years as a Service Director and almost 37 years in public works, it is time to retire and focus on my family, most of all my wife and grandkids.

2024 Resurfacing Project

Miami Township is excited to announce curb and gutter replacement will begin as soon as weather allows. The paving portion will be restricted to summer when school is not in session. If you have invisible dog fences or sprinkler systems within 2 feet of the back of curb, you will need to mark their locations or the Township will not be responsible for any damage that occurs to them during the replacement of bad curb sections.

Streets will be posted “no parking” 24 hours in advance of the start of work. You may lose access to your driveway temporarily if the curb in front of your drive apron needs replacement or repair. Please notify us if you have any special access needs.

Please call the Service Department at (513) 248-3728 if you have any questions.
