Community Reinvestment Areas

The Ohio Community Reinvestment Area program is an economic development tool administered by municipal and county government that provides real property tax exemptions for property owners who renovate existing or construct new buildings. Community Reinvestment Areas are areas of land in which property owners can receive incentives for investing in real property improvements. This program permits municipalities or counties to designate areas to encourage the revitalization of a designated area and the development of new structures. The law was recently revised under Ohio Senate Bill 33 with an effective date of April 3, 2023. With these new changes, Miami Township is able to inact or establish

Community Reinvestment Areas and control them locally.

The Township is working on a project on the south side of State Route 28 between Buckwheat Road and Woodspoint Drive. This project would accomodate an anticipated Aldi grocery store, with a restaurant outlot located in front of the area. The property has already been re-zoned to match the project purpose and the Community Reinvestment Area provides an incentive for a finite period of time on new development, so the existing valuation of the property will not change.

The Township is moving forward with the project not only to see vacant ground developed for a higher and better purpose, but because we believe the motoring public will also be well served. The developer will be connecting the existing neighborhood streets (Pinto Place, Sorrell Lane, Roan Road) into the current traffic light located at the Kohl's entrance off State Route 28 via a service road. With the new access to a traffic light, this will allow safer access to State Route 28.

At the May Business Meeting, Trustees adopted Resolution 2023-18 to establish a new Community Reinvestment Area. We appreciate the community's support to establish a new, disireable commercial development and to significantly enhance traffic safety in the area.

Welcome New Businesses!

We appreciate the investments made in our community by several new businesses. These investments by the private sector work towards our goal of diversifying our tax base and providing new jobs for residents. Please join us in welcoming the following new businesses to the community:

2023 CPAAA Golf Outing

The Miami Township Citizens Police Academy Alumni Association, or CPAAA, is a 501(C)(3) organization that serves an integral role in community safety by supporting emergency services in a wide range of activities. These activities are security orientated, such as staffing roadblocks during parades, helping with security at park events and security patrols. They help with community relations events, such as Super Senior Saturday, Kids N' Cops and Safety Fair. They perform tasks for the police department, such as clerical duties and statistical gathering functions. CPAAA members help in our schools during DARE graduations, lock down drills and driver safety programs that include mock crashes.

The purpose of the CPAAA Golf Outing is to raise money to fund the numerous functions in which they perform. The CPAAA is an all-volunteer force that is self-funded, and this fundraiser is essential to their survival. The CPAAA Golf Outing is a combined effort between the Miami Township, Loveland, and Goshen Township Police Departments. CPAAA Organizations, and this event is the sole source of income for these organizations. In addition to the work that the CPAAA does for the community, they also make an annual \$1,000 donation to the UC Clermont Law Enforcement College.

The 2023 CPAAA Golf Outing will occur on Monday, August 14th, at 9:00am, at the O'Bannon Creek Golf Club, 6842 St. Rt. 48 Loveland, Oh 45140. If an individual or business would like to help sponsor this event, a "Champion" or "Partner" sponsorship can be purchased for \$1,000 and \$600, respectively. Several door and raffle prizes have already been generously donated by local businesses, but CPAAA are still looking for more items. Your business and/or an individual can also be a Hole Sponsor for \$125. If you have any questions, or wish to donate or help sponsor the event, please contact Golf Committee Chairperson Gene Bishop no later than August 1st at Gene.Bishop@MiamiTwpOH.gov. We appreciate the support!

Lock It or Lose It Campaign Kick-Off

Corporal Tyler Foster

For most of us, the warmer weather is a natural mood enhancer. Family picnics, vacations and outdoor events are just around the corner! Unfortunately, this is also a time when certain criminal activity has been known to pick up. Open garage doors and unlocked vehicles tend to claim unnecessary victims as criminals prey for an easy target.

Many of you have heard of the nationwide Lock It or Lose It campaign; you may have even seen the signs posted at the entrance to your neighborhood by Miami Township Police. The campaign is a reminder to stay smart and safe. All of us understand that life can get in the way. You come home from a busy day and have responsibilities in your home that may distract your focus. Often this is when we forget to lock our vehicle doors, or maybe we even think we did, but we are not

sure. It does not hurt to double check. Criminals are opportunists looking for anything and everything of value! Making sure that your vehicle is locked is a smart preventative measure; however, leaving a pricey laptop in plain view on your passenger seat is giving the criminal the incentive to get inside your car and take it.

We ask that Miami Township residents be mindful and vigilant when it comes to locking up their homes, to include garage doors, and vehicles. It is also pertinent to ensure that valuables are not left in plain sight. No one knows the normal day-to-day activities in your neighborhood better than you and your neighbors. If you see suspicious activity, we encourage you to reach out and contact dispatch at (513) 732-2231 to have an officer come out and investigate. The saying, "it is better to be safe than sorry," may be cliché, but it is still applicable. Together we can continue to make Miami Township one of the safest communities to live in Ohio!

National Night Out - 2023

Miami Township and Milford Police Departments have hosted a joint National Night Out for over a decade and counting! This year is no exception—National Night Out is taking place in the Walmart parking lot in the City of Milford on Tuesday, August 1, from 6:00PM to 9:00PM.

This year's Milford/Miami National Night Out celebration boasts of face painters, balloon artists, Kona Ice, a bike rodeo (with a chance to win a bike), and more! Each year, this event is made possible by our sponsors. One of our biggest sponsors has always been Sora's Towing. Sora's cooks all the food and supplies drinks at every

National Night Out. Last year, Sora's supplied a train that gave rides to children and adults alike that went around the perimeter of the event. The train was such a popular addition that Sora's will be supplying it again this year! Our other major sponsors that make this event possible include: Meijer, SATCO, and Mike Castrucci Ford.

We also welcome businesses, organizations, and non-profits to sign up for a booth at the event! There is a 30-spot limit. A space to set up a table/chairs/tent (that you bring) can be reserved for \$100. For our Clermont County non-profit partners, it is free. We are accepting these reservations on a first come/first serve basis. **The last day to register is Friday, July 28, by 2:00PM!**

We hope that you can make it out to interact with your local law enforcement and to enjoy this free family event! You can find information and updates on the Milford/Miami National Night Out by visiting our Facebook page at [MiamiTownshipPD](https://www.facebook.com/MiamiTownshipPD). For general information on National Night Out and its origins, you can visit [NATW.org](https://www.natw.org). For specific questions, or to register for a booth to join us, please email Officer Staci Miller at: Staci.Miller@MiamiTwpOH.gov.

Ryan Himes

Hello Miami Township! My name is Ryan Himes and I am extremely excited to serve this community as the new

Recreation Director. I couldn't be more pumped to jump into this summer, meet the wonderful members of this community and experience all that Miami Township has to offer. I graduated with a degree in education from Miami University and followed that up with 4 years serving as an assistant basketball coach for the RedHawks under the late, great Charlie Coles. This is where I fell in love with the planning and organization that happens behind the scenes. Building a team, drawing up a game plan and executing it come gameday are skills that I bring, and I can't wait to see what our team can do for all of you! Overall, I have 14 years of experience in the Parks & Recreation field, spending the last 8 in the City of Oxford. I was born and raised in Lebanon, where I still reside, with my wife Jennifer and children Maddi (19), Camden (12) and Cooper (11).

I hope that you spend some time browsing through these pages and planning the ultimate "Staycation" with the help of Miami Township Recreation. We have so much to offer for people of all ages, so grab your favorite color highlighter and start swiping! As you turn the pages of Inside Miami Township you will discover an amazing selection of camps, sports, art & crafts, wellness and so much more. Please don't hesitate to register as our programs fill up quickly.

I hope to get the chance to meet all of you this summer and if you see me, please don't hesitate to say hello!

"Work hard, play harder" will be our motto for the Recreation Department...we will do the work so that you can play!!!

MORGAN'S RAID

Scoundrel or Hero? John Hunt Morgan still raises the hackles of normally sane people even though his "Great Raid" took place 160 years ago. Civil War historian Gary Knepp will examine the unauthorized raid, its impact upon Clermont County and the course of the war. And then if we dare, we'll debate that still unresolved question: Was the "Confederate Thunderbolt" a Hero or Scoundrel?
Wednesday, SEPT 13, 6-7:30 pm; MTCC \$10 (Person)

THE U.S. CONSTITUTION AND THE BILL OF RIGHTS

In commemoration of the U.S. Constitution, attorney and historian Gary Knepp will review the basics of the U. S. Constitution and the Bill of Rights in this class. The topics expected to be covered are: Why did our first constitution fail, the controversies of the Constitutional Convention, its guiding principles, and specific provisions of the document. We will discuss the Constitution's role in history and its uncertain future.
Wednesday, SEPT 20, 6-7:30 pm; MTCC \$10 (Person)

AN INSIDER'S TOUR OF THE SPIRIT OF 76 PARK

One of the gems of Miami Township is the Spirit of 76 Park located within the Miami Meadows Park. This unique park showcases our community's love of the country and commitment to our veterans. Your guide Gary Knepp worked closely with the park's three founders and will share with you why this is such a special place. Please meet at Miami Meadows Park at the Spirit of 76 Park at the Korean War Memorial Wall.
Saturday, SEPT 30, 10-11:30 am; \$10 (Person)

CAMP DENNISON - INDOORS

For years local historian Gary Knepp has been giving walking tours of Camp Dennison. For this class we'll stay inside. This will give us the opportunity of going more in depth about this fascinating subject, focusing on how young men became soldiers during the Civil War. The adventures of some of the 100,000 men who passed through the gates of Camp Dennison will be highlighted.
Wednesday, OCT 4, 6-7:30 pm; MTCC \$10 (Person)

THE AMERICAN PRESIDENCY

Forty-six men have been U.S. Presidents- a most exclusive club. Each of them has added to the legacy of the office. In this class attorney and former political science professor Gary Knepp will take us on an historical tour of the American Presidency. Along the way we'll look at the various powers and roles of the president, especially that of Commander in Chief, and how the presidents have exercised those powers. We'll ask the question: Why are some presidents thought to be great and others as failures?
Wednesday, OCT 11, 6-7:30 pm; MTCC \$10 (Person)

ABRAHAM LINCOLN & SLAVERY

President Abraham Lincoln has forever been associated with freeing the slaves through the Emancipation Proclamation. But did he? If the Proclamation didn't free the slaves, what did it do? Was Lincoln an abolitionist? Lincoln's position on the Peculiar Institution was complex and controversial. This class, taught by Gary Knepp, will examine American slavery, the life of Abraham Lincoln and his evolving stand on this crucial issue.
Wednesday, NOV 1, 6-7:30 pm; MTCC \$10 (Person)

A HISTORY OF THE MILFORD / MIAMI TOWNSHIP AREA

This area has had a long and memorable history. Local historian Gary Knepp will explore the highways and byways of our heritage, including the trilobite, The Ice Age and the impact it still has today, Indian Mounds, colorful characters, true crime and much more. Bring your memories of our past and share with the class.

BOOK CLUB WITH ATTITUDE! So Many Books!

The leader of the Book Club is Nancy Libbee who is a recently retired educator and English instructor with over four decades at the high school / college level who celebrates many innovative successes. Passionate about teaching, she inspired many to not only pick up a book for the first time and read it, but also how to travel deeply into the worlds between the pages. Please read the book "The Measure" by Nikki Erlick before class and come prepared for a lively discussion. "But today, when you open your front door, waiting for you is a small wooden box. This box holds your fate inside: the answer to the exact number of years you will live."

5 Layers of Protection to Help Prevent Drowning

Lilly Kieren
 Firefighter / Paramedic

With temperatures heating up, residents are preparing their pools to cool off this summer. Drowning is the single leading cause of death for children 1-4, and sadly, 70% of drownings among young children happen during non-swim times. Drowning happens quickly and quietly, in as little as 2 inches of water within 30 seconds. There is no single way to prevent drowning, but you can arm yourself with the necessary prevention methods by learning the **5 Layers of Protection**.

BARRIERS & ALARMS

Since you can't always keep your eyes on the water, it's essential to use four-sided fencing with self-closing, self-latching gates, pool safety covers, and alarm systems to help prevent children and unauthorized adults from accessing water unsupervised.

SUPERVISION

Stay vigilant and aware of your surroundings with close, constant, and capable adult supervision from a designated water watcher or lifeguard anytime children are in or around water. Supervision alone cannot prevent drowning from happening, and there are simple ways to improve our water supervision methods, including:

- Never leave your children unattended without an adult present
- Keep children within an arm's reach of a capable adult
- Use scanning techniques by using patterns and keeping head counts
- Knowing how to identify and predict what a drowning can look like – typically, a victim's head will be tilted back with their mouth open at the water level.

WATER COMPETENCY

Every child and adult should be equipped with the skills to protect themselves in water by learning and enhancing their basic water safety skills to reduce the risk of drowning and aquatic-related injuries. The AAP recommends starting swim lessons as early as age 1, you should always speak with your pediatrician before considering any water safety or swimming lessons for children. Identify the right swim program for your child by downloading NDPA's Swim Program Decision Chart and Checklist.

LIFE JACKETS

When used appropriately, life jackets protect you when you are not expecting to be in the water, especially around open water. U.S. Coast Guard (USCG) tested and approved life jackets should be worn by everyone in or around open water, especially when boating. Life jackets should be sized appropriately for the wearer. When other layers of protection may break down, life jackets can help prevent unintentional drowning.

EMERGENCY PREPARATION

Knowing how to prepare for an emergency with CPR training with rescue breaths, and basic water rescue skills can make the difference between life and death. If you ever encounter a victim who is not breathing, ALWAYS call 911 before trying to perform CPR with rescue breaths. Proper training and certification for CPR need to be refreshed about every 1-2 years, especially if there are recent changes in recommendations.

Drowning is Preventable!

Remember, layers work together! Water safety isn't just during swim time. Each layer should be used together when in or around water to help reduce the risk of drowning.

For additional tips and information, please call Miami Township Fire & EMS at (513) 248-3700 or find us online at *MiamiTwpOH.gov*. Please, stay safe this summer!

Zoning Commission & Board of Zoning Appeals

Brian Elliff
Planning & Zoning Administrator

Two important volunteer boards serving Miami Township are the Board of Zoning Appeals and the Zoning Commission.

The Zoning Commission usually functions in an advisory capacity to the Board of Trustees. The Zoning Commission is composed of five residents of the Township, appointed to five year terms by the Board of

Trustees. Up to two alternate members may serve on the Commission as well, so that a full committee is available to hear cases. The Zoning Commission undertakes three main roles in reviewing zoning changes and land development: advisory recommendations to the Board of Trustees, Planned Unit Development review and consideration of text amendments to the Zoning Resolution. The Zoning Commission is also an appeals body for property maintenance cases.

The Board of Zoning Appeals (“BZA”) is also composed of five residents appointed to five year terms. The BZA has authority to grant exceptions to the zoning resolution, conditional use approvals (special zoning approvals needing further oversight) and also acts as an appellate body for zoning interpretations. Both the Zoning Commission and BZA have been very active in 2023. If you think you might be interested in serving on one of these Boards, please contact Brian Elliff, Planning & Zoning Administrator.

Big City Suburbs Capture Growth

According to the Wall Street Journal, new census figures show suburbs and smaller metro areas claimed the most recent US population growth. Suburbs of big cities and small and medium-size metropolitan areas continued to capture most of the country’s growth according to the WSJ on March 20, 2023 analyzing census data from year ending June 30, 2022. Core counties of large metro areas had an estimated net loss of more than 800,000 movers. Hamilton County lost around 4500 residents between 2020 and 2021. By contrast, and consistent with the WSJ findings, Miami Township grew from 43,934 to 44,311 population from 2020 to 2022.

What is a metropolitan statistical area (MSA)? The common definition is that it is a freestanding metropolitan area surrounded by non-metropolitan counties, including a large central city or urbanized area of 50,000 or more people. What does metropolitan mean? It is derived from the word metropolis, which means the capital or chief city of a region.

The Cincinnati Metropolitan Area weighs in at the 30th largest nationally at 2,259,490 population (2021), just ahead of number 31 Kansas City. Although people think of Cincinnati as being smaller than both Columbus and Cleveland, which it is in terms of city population, as a Metropolitan Statistical Area we are larger than both Columbus and Cleveland (Columbus MSA is 32nd at 2,151,017 and Cleveland MSA is 33rd at 2,075,662).

History of Evergreen Cemetery

John Musselman
 Service Director

Evergreen Cemetery is located off State Route 126 at 234 Center Street, Miami, Miami Township, Clermont County, Ohio (GPS Latitude N39.212, Longitude -84.31W). It is a well maintained 20 acre cemetery with approximately 4400 burials. This is an active cemetery and is the only active cemetery that Miami Township operates.

The first document found regarding the cemetery is a deed dated March 4, 1867, recording the purchase of 10 acres by the Miami Cemetery Association, from A.N. and Mary A. Robinson. One hundred thirty six (136) headstones dated prior to March 1867 commemorate that this property had already been used as a cemetery prior to the purchase by the Miami Cemetery Association. The first recorded interment records of the cemetery started in 1899. There are 234 veterans buried at Evergreen Cemetery, including three from the Revolutionary War and one from the Civil War.

The cemetery has been managed by several caretakers over the years. In the past some records had been stored offsite, resulting in the loss of some of those records. In addition, some of the records have become faded and unreadable.

In some cases, the headstones are the only evidence that some people have been interred at this cemetery. The earliest headstone is for Helen Kerr and her son in 1814. In 1970, Miami Township,

became the caretaker of the cemetery, which is now known as Evergreen Cemetery. The current sexton is John Musselman, who is also the Township Service Director.

While Evergreen Cemetery is the final resting place of many of the founding families of Miami Township, it is also the final resting place of Charlie Henry Rich, who is famous for having dealt 2 black aces

and 2 black eights, which came to be known as the “Dead Mans Hand”, to Wild Bill Hickok at the No. 10 Saloon on August 2, 1876 shortly before Hickok was assassinated by Jack McCall.

New Columbarium

A new feature at Evergreen Cemetery is our Columbarium area.

Columbariums have become very popular as more and more people opt for cremation at the time of their passing. A Columbarium niche at Evergreen Cemetery provides a 12” x 12” x12” niche that can hold up to two sets of ashes, depending upon the size of the urn. A cremation niche can be much less expensive than a typical full burial.

The blank covers over each burial niche can be engraved for an additional cost by Riverview Monuments.

Columbarium Prices

- Single Cremain- \$1,000.00
- Single Non-resident \$1,300.00
- Double Cremain \$1,600.00
- Double Non-resident \$2,000.00
- Weekend Add On \$ 150.00
