

Finance Director

Miami Township, Clermont County, Ohio is accepting resumes for the full-time position of Finance Director. This position reports to the Township Administrator and is a member of the leadership team with primary responsibilities for planning and day-to-day management of the Township's financial activities including accounting, financial planning and cash management, investments, public pension reporting, revenue forecasting and assisting in preparation of the annual budget. Miami Township serves approximately 42,500 residents with a budget of approximately \$26,000,000.

Graduation from an accredited four-year college with a degree in accounting, finance, business or public administration is required. Three years of progressively responsible government accounting or finance work is required and experience with a comparably-sized township or city is preferred. Must be able to obtain and maintain a bond. This position is salaried and exempt with a hiring range of \$80,000-\$90,000 but will be dependent upon qualifications. Job description is available online at www.miamitwpoh.gov. Send resume and cover letter to: Finance Director job search, Miami Township, 6101 Meijer Drive, Milford, OH 45150 by 4:30 p.m. November 10, 2017. Miami Township is an equal opportunity employer and a drug/alcohol free workplace.
