

Gathering Place

Miami Township is dedicated to providing our community with quality facilities for gatherings, meetings and recreational programs.

Community Park is a beautiful 17 acres of land created with picnic areas and grills, tables, a playground, picnic shelter and walking trails. Just as Miami Township has continued to grow, so has Community Park. Today's park also includes three tennis courts, a sand volleyball court and 9 hole disc golf course.

The original house was built around 1840 by settler Randall Leming, and is reminiscent of the rural lifestyle that existed in Miami Township in the 19th century.
