WHEREAS, a Board of Trustees may provide for the abatement, control, or removal of vegetation, garbage, rubbish or other debris from land in a Township, if the Board determines that the owner's maintenance of such vegetation, garbage, rubbish or other debris constitutes a nuisance; and

WHEREAS, the Miami Township Community Development Department has investigated the condition of the properties listed in Exhibit A; and

WHEREAS, the Miami Township Community Development Department has documented the existence of non-maintained vegetation and/or the accumulation of garbage, rubbish or other debris (collectively "rubbish") on these properties and recommends to the Board that the existence of said vegetation and/or rubbish constitutes a nuisance; and

WHEREAS, the owner(s) of the aforementioned properties were provided detailed documentation with specifications of the non-maintained vegetation and/or items of rubbish that were to have been removed; and

WHEREAS, the owner(s) of record of the aforementioned properties failed to remove the vegetation and/or rubbish, or such efforts have been insufficient and therefore substantial nuisance conditions still remain; and

WHEREAS, the owner(s) of record and lienholder(s) of the aforementioned properties will be advised prior to the cutting and removal of the non-maintained vegetation and prior to the removal of the rubbish by Miami Township as authorized herein, and will be given yet further opportunity to remedy the non-maintained vegetation and/or accumulation of rubbish prior to action by Miami Township.

SECTION 4: The cost of the removal of the vegetation and/or rubbish shall be assessed to the owner(s) of record and the county auditor shall place the costs upon the tax duplicate. The costs are a lien upon such lands from and after the date of entry. The costs shall be collected as other taxes and returned to the Township general fund.
